FOREWORD

As a founder and Secretary it is a great pleasure to have been asked to write a foreword to this booklet. It is very appropriate that in celebrating this the twelfth year of the Thamestide Lodge it should have its history recorded and I hope the Brethren will enjoy reading it.

As Secretary for these twelve years I have seen many changes, but one thing remains constant and that is the happy spirit throughout. There have been countless memories of occasions in and connected with the Lodge, some sad but mostly happy ones.

As a Grand Officer the Brethren have extended to me so many acts of kindness that it is, indeed, a pleasure to be able to record my gratitude in print for all to see.

My greatest wish is that the Thamestide Lodge continues to grow in strength and character, based on Brotherly Love, Relief and Truth.

E. Stynsby Andrew

PREAMBLE

Long before the Thamestide Lodge was born in 1967 there were four just and upright Freemasons. Two of these were "locals", Bro. E. H. B. Haslehurst and Bro. S. Y. Holland, and the other two were a London Mason, Bro. S. E. Allen, and the late Commander, Bro. A. W. Lamb, from Southampton. These men, as destiny would have it, met together for the good of Freemasonry and founded themselves a school of instruction called "Freemen, Hardy and Willing Club". This club attracted several local Freemasons who later, along with other Brethren, became the Founding Fathers of this Lodge. On behalf of all the members I wish to record my grateful thanks to the founders of the Thamestide Lodge.

Ours is a young Lodge. Our members come from various walks of life, from a plumber to a professional, and we try to practise Freemasonry as a way of life.

I trust the information compiled in the following pages will prove of interest to the members and the Initiates alike. Although this is a retrospective precis, our future prospects clearly depend upon our younger members and the Past Masters.

No Lodge can survive without the Lodge of Instruction, wherein we learn the fundamentals of Freemasonry and fellowship. We are unique in having a triad of preceptors. W.Bro. L. Godward is kind but firm. Bro. D. Silverstone is a ritualist with stress on understanding the "ritual". W.Bro. H. E. Roff, our first preceptor until his serious illness, is now back in harness with his words of wisdom and wit.

I wish to acknowledge my appreciation to W.Bro. R. A. Bird, our Charity Steward, for his exemplary services.

I am grateful to W.Bro. E. Aynsley Andrews for his assistance in compiling the "FIRST TWELVE YEARS" and to many other members for their help, to all of whom I tender my fraternal thanks.

H. A. Lasha

THE HISTORY

Early in 1964 several Brethren of the Thames Estuary Lodge No. 4043, being a long way from office and members of the Royal Arch Chapter, requested W.Bro. E. Aynsley Andrews to help them to found a new Lodge. On October 27th, 1964, the following Brethren were notified of the first founders' meeting and all attended:

W.Bro. E. Aynsley Andrews	W.Bro. H. E. Roff

At this meeting W.Bro. Aynsley Andrews was elected Chairman and it was suggested that we request the Thames Estuary Lodge No. 4043 to be our sponsors. The following dates were presented by the Chairman to meet at Freemasons' Hall, Woodgrange Drive, Southend-on-Sea, Essex, and were agreed: fourth Tuesday in September, third Tuesday in November, first Tuesday in January, third Tuesday in March and third Tuesday in April. The Installation Meeting to be in January and the meeting to open at 6 p.m. The founders desired that there should be only one degree and one candidate at each meeting.

Founders

"Give them a passing thought sometimes,
These men of earlier days:
The men who have found the track we tread,
The men who have paved the way."

At the second founders' meeting on September 26th, 1965, the following extra Brethren were present:

W.Bro. M. Barnes Oake	Bro. L. Blanchflower
W.Bro. E. E. Houghton	Bro. K. J. Good
Bro. W. Croucher	Bro. T. C. Trellan

W.Bro. E. Aynsley Andrews was chairman and the minutes of the first meeting were read, accepted and signed. The chairman informed the Brethren that the Thames Estuary Lodge No. 4043 was quite willing to sponsor the new Lodge. A letter was read from the Province with respect to the two petition forms that seventy-five per cent of the petitioners must be Essex Masons.

The founders met again on December 12th, 1965, when the name of the Lodge was discussed and it was decided that "Aestuarium Thamesis" be the first choice and "Wakering" the second choice. In the meantime the Worshipful Master designate, Senior Warden, Junior Warden, Treasurer and Secretary were interviewed by W.Bro. H. H. England, Provincial Grand Secretary, in his office and it was decided to call the Lodge "Thamestide".

The founders met again on June 18th, 1966, and at that meeting the following officers of the Lodge were selected:

Worshipful Master	W.Bro. M. W. Barnes Oake
Senior Warden	W.Bro. W. H. E. Cotton

The by-laws were framed and the petition forms were signed by the founders present. The fees were approved and it was decided to call a founders' meeting after we had received the number of the Lodge, and each founder to purchase his own founder's jewel at five guineas each.

In October, 1966, the rest of the founders signed the petition forms. A letter from the Province enquired if the word "Thamestide" was one word or two, and it was unanimously decided by the founders it should be one. During this meeting and the next the petitions were presented to the Thames Estuary Lodge No. 4043 and duly signed by the Worshipful Master and the two Wardens in Open Lodge and were then forwarded to the Province.

At the founders' meeting on January 21st, 1967, it was proposed by Bro. S. Y. Holland, and seconded, that owing to the increased cost at the Temple the annual subscription be ten guineas. This motion was carried. The Secretary announced that there were three candidates to be interviewed on February 12th, 1967. The by-laws were read and agreed, with the following alterations: the election of the Master, Treasurer and Tyler be at the April meeting and the installation at the September meeting.

At the Consecration the attendance was one hundred and sixty-eight Brethren. The Lodge was opened by five Brethren of the Sponsoring Lodge:

He then vacated the chair in favour of W.Bro. Dr. A. G. Duncan, who installed the Master designate, W.Bro. M. W. Barnes Oake, who later invested the officers designate as per the previous list.

IN CONCLUSION

Brethren of Thamestide Lodge:

Being one of the early Initiates to this Lodge in particular and Freemasonry in general, I feel honoured and proud, but humble. Humble indeed to have ascended the stepladder, by hard work and assiduity, leading to the Chair of King Solomon. I wish and trust that every incoming Initiate and joining member will look forward to sharing this great and noble experience under the guidance of our elder Brethren.

Freemasonry is universal. Nevertheless Freemasonry is kindness at home, uprightness and equality with Brother Freemasons, fairness at work, honesty in business, courtesy in society, compassion to the unfortunate, help to the needy, forgiveness to the penitent, loyalty to the Sovereign, love for the neighbour and mankind at large, resistance to evil, and, **above all**, Reverence to God and submission to His Will.

Brethren, nothing now remains but to thank all my Officers and Brethren for their kindness, gratitude and work for this Lodge. May we together work in harmony, uniting in the act, Fidelity, Fidelity, Fidelity.
